## MISSION

Our mission is to help strengthen our youth, men and women through the art of dance, pantomime, pageantry and dramatic interpretation of biblical expressions and understanding.

This is unto God and under the direction of the Holy Spirit.

“If thou put the brethren in remembrance of these things, thou shalt be a good minister of Jesus Christ, nourished up in the words of faith and good doctrine, whereunto thou hast attained.”  
1Timothy 4:6

**Michele Annette Rucker**  
**Visionary/Apostle**

Michele Rucker, wife, mother, grandmother an ordained Apostle in the body of Christ, was born and raised in Philadelphia. Apostle Michele came to Atlanta over twenty years ago through a divine move of God. Michele serves alongside her husband, Pastor David Rucker in Dancing on the Promise Ministries International, Inc.

As an Apostle, Michele has been sent to teach, edify and equip in the ministry of Arts and Intercession: laying the foundations of the Word and unlocking the destinies of those she encounters. Apostle Rucker takes this call very seriously. She mentors various ministries throughout Georgia, Florida, North Carolina and Arizona. She loves the Lord and is committed to this service. It is this commitment that gave way to the opening of the Empowerment Center.

Dancing on the Promise Empowerment Center raises up effective, anointed, word driven ministers. The Empowerment Center has online programs, bi-weekly classes and monthly events to empower and launch people into a greater future.

Apostle Michele takes great joy in ministering at prisons, conferences, and teaching at various workshops and conferences.

But she especially enjoys ministering before the Lord. God told her to show them the joy of Dancing in His Presence.

**Our Vision**

Our vision is to help in the re-building of spiritual structures torn down by hurts, pains and weaknesses often felt during economical struggles, depressions created through hopelessness, hardships, life's changes and lack of resources needed to stand stronger in this modern-day world. Dancing on the Promise Ministries International (DOPMI), Inc., vision is to go beyond the simple performance of the arts by applying the gifts of ministry to grow and develop the heart, body and soul of individuals weakened from the troubles of life. DOPMI, Inc., will provide opportunities for spiritual growth, economic empowerment, motivational insight and overall spiritual understanding and knowledge of the Word of God.

The Center will be a haven for the youth adults to learn dance, drama, creative writing, and music and runs various functions within the organization. The Center will give the youth an alternative to crime. These youth will learn how to work in the various outlets within the Center, giving them marketable skills.

The future home of the Empowerment Center will house a coffee café, resource center, library and a 200-seat auditorium for concerts, workshops and benefits. Adjoining the main building, a television studio where the TV program "Empowerment Hour" will originate. This future TV program's purpose is education and evangelism. The programs provided at the Empowerment Center will be the very essence of God's word and power through the expressions of the Arts.
